BOYNTON BEACH VISION 2039

Boynton Beach Vision 2039

BOYNTON BEACH 2039 is a
SAFE COMMUNITY ⁽¹⁾ **and BEAUTIFUL COMMUNITY** ⁽²⁾

BOYNTON BEACH 2039 has vibrant destinations –
CONGRESS DISTRICT ⁽³⁾, **DOWNTOWN/CULTURAL DISTRICT** ⁽⁴⁾,
and OTHER POTENTIAL DISTRICTS ⁽⁵⁾.

BOYNTON BEACH 2039 is
LIVABLE COMMUNITY FOR ALL ⁽⁶⁾ **with**
FUN EXPERIENCES FOR ALL – RESIDENTS AND GUESTS ⁽⁷⁾ **and**
STRONG AND DIVERSE LOCAL ECONOMY ⁽⁸⁾

Boynton Beach Vision 2039

PRINCIPLE 1

SAFE COMMUNITY

► Means

1. All residents feeling and are secure – in their homes and throughout our Boynton Beach community
2. Active community policing culture and programs – police knowing and collaborating with the community, and positive working relationship based upon trust with residents and businesses
3. Timely and well-equipped response to all emergency calls for service
4. Community-wide visible Police presence throughout our Boynton Beach community
5. Top-quality public safety staffing, buildings, equipment and apparatus and training – staffing at authorized strength
6. Safe homes, buildings and construction sites complying with City codes and regulations
7. Access to quality mental health services and programs from public awareness, to initial response and to follow-through programs
8. Reduced juvenile criminal activity through an effective juvenile justice system and recreational programs focusing on our youth, including cadet programs and Explorers
9. Community reputation as “tough” on crime from quick apprehension to prosecution

PRINCIPLE 2

BEAUTIFUL COMMUNITY

► Means

1. Positive first impression through attractive, well-designed and well-maintained streets, medians, sidewalks, streetscapes and landscaping both public and private
2. Attractive and well-maintained parks throughout our Boynton Beach community
3. Minimal vacant lots and blighted properties, buildings and homes in our Boynton Beach community through a successful and effective CRA
4. Well-lighted streets, neighborhoods and major highway corridors throughout our Boynton Beach community
5. Clean Boynton Beach community without litter, trash or garbage
6. Colorful and vibrant planting – trees, flowers and shrubs, including use of native Florida plants
7. Distinctive-designed, well-maintained gateways and entrances with unique marquee signs I-95 and Federal Highway
8. HOA’s and property owners – businesses and home owners taking responsibility to beautify, to maintain and to clean landscaping, fencing and sidewalks

PRINCIPLE 3

CONGRESS DISTRICT

► Means

1. Variety of arts, culture and entertainment venues and businesses providing experiences creating a destination for our residents and regional visitors
2. Educational presence with major university/college/trade schools offices serving the needs of our residents
3. Well-designed, well-maintained greenspace for events, festivals, community gatherings
4. Major Community Center/Park and Recreational Facility serving the needs of residents in west Boynton Beach area
5. Unique multi-experiences venue with a variety of activities drawing residents and outside guest
6. Easy movement to and within the District through effective traffic management system, and alternative mobility modes
7. Variety of housing options for young, adults and seniors including town homes, condos, apartments and single-family homes
8. Vertical, mixed-use developments with retail/restaurants/offices and residential opportunities along our corridors

PRINCIPLE 4

DOWNTOWN/CULTURAL DISTRICT

► Means

1. Walkable and pedestrian friendly with wide sidewalks
2. Bars and entertainment businesses for adults providing variety of day-time and evening experiences
3. Convenient and easy access and parking
4. Effective City infrastructure to protect the District from flooding and to minimize the impacts of King Tides
5. Major full-service hotel with amenities
6. Nationally recognized arts destination with kinetic art throughout our Boynton Beach community
7. Expanded commercial development along our waterfront
8. Mangroves protected with expanded public access and recreational opportunities

PRINCIPLE 5

OTHER POTENTIAL DISTRICTS

► Means

1. Medical District
2. Marina District

PRINCIPLE 6

LIVABLE COMMUNITY FOR ALL

► Means

1. Well-maintained neighborhood infrastructure – streets, water, sewer and sidewalks
2. Choice of quality and affordable housing for families and individuals, including senior housing, including affordable housing options
3. Easy mobility throughout Boynton Beach with residents using a variety of modes
4. Residents taking pride and ownership in Boynton Beach community and in their neighborhood
5. “A” rated public schools – a reason for living in Boynton Beach
6. City and sponsored community events and festivals that bring our diverse community together
7. Traffic calming throughout our neighborhood to reduce speeding
8. Neighborhood sustainability programs and activities for existing neighborhoods and new developments
9. Residents actively involved and participating in the Village and neighborhood governance processes

PRINCIPLE 7
FUN EXPERIENCES FOR ALL –
RESIDENTS AND GUESTS

► **Means**

1. Access to beach with amenities
2. Active fishing community with tournaments and recreational experiences
3. Diverse, expanded and active recreational programs and activities for all generations that are responsive to our community's needs
4. Access to the natural and open space areas for the enjoyment of our residents
5. Well-designed, well-maintained and upgraded diverse parks and playgrounds with a variety of venues/amenities
6. Specialty parks and park venues – skate park, dog park, splash pad, pickle ball, etc.
7. Top-quality, well-maintained municipal golf course with new clubhouse and 3-6-hole practice facility
8. Tennis Center serving the needs of our residents
9. Variety of community events and festivals attracting our residents and regional guests

PRINCIPLE 8
STRONG AND DIVERSE
LOCAL ECONOMY

► **Means**

1. Higher median income for our residents through expanded business and opportunities
2. Home to a major corporation regional offices/headquarters
3. High-quality, locally owned and national restaurants and entertainment-based businesses
4. Variety of quality major hotels with amenities
5. University and college presence and top-quality programs
6. Trading school with career-oriented programs and opportunities for our residents
7. Culture of supporting entrepreneurial spirit and business development
8. Sports tourism destination for local and regional tournament
9. Modern office space options for businesses, including co-work space, Class “A” and new, modern office suites

***BOYNTON BEACH
CITY GOVERNMENT
OUR MISSION***

Boynton Beach City Government Our Mission

**OUR BOYNTON BEACH CITY GOVERNMENT MISSION is to
act in a**

FINANCIALLY RESPONSIBLE AND SOUND MANNER ⁽¹⁾

as we provide

CORE MUNICIPAL SERVICES ⁽²⁾,

QUALITY OF LIFE SERVICES ⁽³⁾ and

PLAN AND INVEST IN THE FUTURE ⁽⁴⁾

through a

HIGH PERFORMING CITY TEAM ⁽⁵⁾ and

ENGAGED BOYNTON BEACH COMMUNITY ⁽⁶⁾.

Boynton Beach City Government Our Mission

PRINCIPLE 1

FINANCIALLY RESPONSIBLE AND SOUND

► Means

1. Deliver City services in the most cost effective and efficient manner
2. Have stable revenue streams to fund City government through diverse revenue sources
3. Have clean financial audits
4. Have adequate resources to support defined City services and levels of service
5. Evaluate, adjust and eliminate City services responsive to changing community and resident's needs
6. Develop new and innovative programs to reduce costs
7. Have fund balances and reserves consistent with national standards and Boynton Beach city policies
8. Leverage City resources through community partnerships, grants and outside funding sources
9. Maintain appropriate cash reserves consistent with defined City policies

PRINCIPLE 2

CORE MUNICIPAL SERVICES (Public Safety, Utilities, Sanitation, Streets)

► Means

1. Provide essential municipal services responsive to our Boynton Beach community values and needs [
2. Hire, develop and retain a top-quality and diverse City workforce
3. Make City services easy and convenient for our residents
4. Continuously evaluate and improve City policies, systems and processes
5. Use appropriate information technology to better serve our Boynton Beach community, including online City service delivery
6. Know “best practices” and apply to Boynton Beach City Government service delivery and process improvements
7. Develop a reputation and receive awards for City organization and service “excellence”
8. Provide fair, equitable and consistent City services, processes and enforcement
9. Have accredited departments that meet and are exceeding national standards

PRINCIPLE 3

QUALITY OF LIFE SERVICES (Arts, Culture, Library, Parks, Recreation, Events)

► Means

1. Provide essential municipal services responsive to our Boynton Beach community values and needs [
2. Hire, develop and retain a top-quality and diverse City workforce
3. Make City services easy and convenient for our residents
4. Continuously evaluate and improve City policies, systems and processes
5. Use appropriate information technology to better serve our Boynton Beach community, including online City service delivery
6. Know “best practices” and apply to Boynton Beach City Government service delivery and process improvements
7. Develop a reputation and receive awards for City organization and service “excellence”
8. Provide fair, equitable and consistent City services, processes and enforcement
9. Have accredited departments that meet and are exceeding national standards

PRINCIPLE 4

PLAN AND INVEST IN THE FUTURE

► Means

1. Develop and update the Comprehensive Plan and master plans to guide future development and redevelopment
2. Have and maintain City reputation as business friendly and resident friendly regulations and processes
3. Monitor, plan and respond to changes in climate
4. Develop, update and fund an ongoing Capital Improvement Program/Community Investment Plan, including the upgrading City streets and infrastructure
5. Expand Boynton Beach local diverse economy through effective economic development and community redevelopment
6. Anticipate issues, trends, challenges and opportunities
7. Have the City – City Commission and Planning & Zoning aligned with Boynton Beach’s future direction – our Vision, Mission, Goals and Plans
8. Design future redevelopment and development projects to incorporate environmentally sustainable concepts
9. Expand City boundaries through fiscally responsible annexations

PRINCIPLE 5

HIGH PERFORMING CITY TEAM

► Means

1. Have all City Team-elected officials, appointed officials and departments working together as a highly effective City team – respecting each other's roles and responsibilities
2. Support creative thinking and innovative actions – a learning City organization
3. Have a City government organizational culture that empowering City employees to make decisions and take actions as they carry out their responsibilities
4. Build and maintain Management and Departmental Teams with common goals, defined roles and responsibilities and organized processes
5. Identify “best practices and applying to City government operations
6. Have training and personal/professional development programs for all City managers, supervisors and employees – full-time, part-time and seasonal
7. Develop systems and processes for recognizing and rewarding City employees for their contributions, achievements and accomplishments
8. Have timely communications for all – everyone has the same information

PRINCIPLE 6

ENGAGED BOYNTON BEACH COMMUNITY

► Means

1. Build positive relationships with our residents and community partners based upon mutual trust and respect
2. Inform our community (residents and businesses) in a timely, open/transparent and accurate manner using a variety of methods and platforms
3. Develop strong partnerships with community organizations, service clubs and other institutions
4. Develop an effective emergency communication system with residents and businesses
5. Develop City proactive communications mechanisms using a variety of platforms and processes
6. Listen to and strive to understand the input and feedback from the entire community – residents and businesses
7. Strengthen working partnerships with our community to welcome our diverse residents to our Boynton Beach community

CITY OF BOYNTON BEACH PLAN 2024 – 2029

City of Boynton Beach

Goals 2029

Financially Sound City Government Providing Exceptional Services

Sound Local Economy

A Great Place to Live

A Safe, Clean and Attractive Community

Goal 1:

Financially Sound City Government

Providing Exceptional Services

OBJECTIVES

1. Provide a high level of City core services responsive to the needs of the entire Boynton Beach community
2. Build and maintain quality City infrastructure, facilities and equipment
3. Focus on and fund City core services and responsibilities
4. Deliver City services in an efficient, cost-effective manner
5. Leverage City resources through increases in grants and community partnerships
6. Build strong financial reserves consistent with City policies and national standards
7. Increase and diversify City revenues to support the defined services and service level, and major infrastructure projects

VALUE TO RESIDENTS

1. Value for your tax dollars
2. Responsible financial management by the City
3. City employees enjoy serving you
4. User-friendly staff and processes
5. Trust and confidence in the City government
6. Reliable delivery of core City services and responsibilities

SHORT-TERM CHALLENGES AND OPPORTUNITIES

1. More grants and outside funding sources with the resources to “match” and manage grants
2. Aging City facilities and infrastructure with deferred projects and the need for repairs and replacement
3. Shifting its grant strategy to being more project-driven to submit more successful applications
4. Maintaining full staffing for Police and Fire
5. Transitioning to more efficient processes to support the City’s needs
6. Retention and replacement of a top-quality City workforce dedicated to serving the Boynton Beach community in a very competitive employment environment
7. Increasing operating costs: pension, healthcare, medical supplies, raw materials, fuel/energy
8. Eliminating redundancies and finding synergies to help control cost and mitigate inflationary factors
9. Developing partnerships to address community issues like mental health, homeless and human services
10. Potential CRA boundary modifications to capture fiscal/tax growth

LONG-TERM CHALLENGES AND OPPORTUNITIES

1. Actions by the State of Florida impacting City finances, services, and home rule, revenue options
2. Focus on City mission and core services responsibilities
3. Having adequate staff to provide defined City services and implement City programs
4. Engaging our City employees
5. Community organizations looking to the City for major funding support
6. Recognizing/identifying/generating additional sources of revenues to offset recurring expenses (i.e., payroll/personnel services cost, technology needs, etc.)
7. Cyber and information security challenges

Goal 3: A Great Place to Live

OBJECTIVES

1. Have greater ease in mobility within Boynton Beach including East-West connectivity through expand mobility options
2. Upgrade parks, park venues and sports fields
3. Work with Palm Beach School District to improve the quality of schools and educational programs – goal: “A” rated schools
4. Develop a new park/major recreation center in west Boynton Beach
5. Develop new quality housing options – single family homes, condos, town homes, apartments
6. Becoming a walkable and bike-friendly community

VALUE TO RESIDENTS

1. More choices for your leisure time within Boynton Beach
2. More housing choices within Boynton Beach
3. Ease movement within Boynton Beach
4. Convenient access to parks
5. Greater pride in Boynton Beach
6. Walkable and bikeable community

**SHORT-TERM
CHALLENGES AND OPPORTUNITIES**

1. Working with Palm Beach School District to have higher rated Boynton Beach schools
2. Becoming a more walkable and bike-friendly community through Complete Streets implementation
3. Lack of downtown area/business support for events similar to surrounding cities
4. Enhancing east-west mobility options for our residents
5. Lack of beach parking
6. Working with transportation partners – FDOT and TPA – for the benefit of our Boynton Beach community
7. City Cemetery nearing capacity
8. Lack of major park/recreational venue in west Boynton Beach
9. Lack of community gathering/event space(s) in west Boynton Beach

**LONG-TERM
CHALLENGES AND OPPORTUNITIES**

1. Connection with the community as City demographics change
2. Responding to trends in leisure and recreation – pickleball, flag football, e-sports, etc.
3. Competition between recreation sports versus amateur professional sports
4. Older and deteriorating homes
5. Conflict between open space and public access and use of greenspaces
6. Expanding Cultural Center’s programming and performances
7. Lack of capacity for sports tourism
8. Partnering with schools for joint recreational uses
9. Lack of funding for parks
10. Trend: less interest in homeownership – desire for options
11. Community resistance to change

POLICY ACTIONS 2024 – 2025

1. Comprehensive Mobility Plan: Goals/ Outcomes, Plan Development, Direction and City Actions, including walking, biking, golf carts, scooters, e-bikes and other mobility options
- 2a. Cemetery Expansion: Goal – More-Grave Sites, Property Identification, Funding Mechanism and Direction (**Modified**)
- 2b. Cemetery Long-Term Plan Development: Goals/Vision, City Role, Best Practices, Report with Options, Direction and Funding Mechanism (**Modified**)
3. City Branding/Marketing Program – Showcasing Boynton Beach: Best Practices, Report with Options, Direction and Funding Mechanism (**Moved from Goal 1**)
4. Additional Outdoor Venues for Events and Festivals: Community Needs, Location Options Identification, Report with Options and Funding Mechanism, Direction and Implementation (**New**)
5. City Marques Additional/Larger: Goals, Additional Locations, Marque Design, Report with Options, Costs and Funding, Direction and Implementation (**New**)
6. Homeless Strategy/Action Plan: Goals/Outcomes, Best Practices, Report with Options, Direction, City Role/Partners and City Actions (**from OTH**)

High Priority

POLICY ACTIONS 2024 – 2025

Assessment, Report with Options and Projects, Direction
and Funding Mechanism
2. Boynton Beach Identity and Brand: Definition and
Marketing Plan
3. Additional Playground for All Abilities: Direction and
Funding
4. Traffic Signal Synchronization Plan: Goals/Outcomes, Best
Practices, Report with Options, Direction and City Actions

ACTIONS COMPLETED 2023 – 2024

1. Vendor Revenue Structure (MIP)
2. Golf Clubhouse Remodel: Completion (MP)
3. Little League Park Renovations Project Phase 1: Completion (MP)

Goal 4: A Safe, Clean and Attractive Community

OBJECTIVES

1. Have residents feeling safe – any place within Boynton Beach
2. Have welcoming and distinctive entrances to Boynton Beach – “positive first impression”
3. Have a low crime rate
4. Have a clean community – no trash, litter or garbage
5. Have attractive medians, streetscapes and landscaping both public and private

VALUE TO RESIDENTS

1. Feeling safe anywhere in our Boynton Beach community
2. Protection of property values
3. Greater pride in our Boynton Beach community
4. Timely and appropriate response to an emergency call for service
5. You know when you are home in Boynton Beach
6. Trust in your Police Department

**SHORT-TERM
CHALLENGES AND OPPORTUNITIES**

1. Increasing the attractiveness of our entrances to Boynton Beach – I-95 and Federal Highway
2. Massive reductions and shortages of people entering and choosing careers in Police and Fire
3. Implementing our Real Time Crime Center and being able to integrate with our current and new systems
4. Enhancing street lights to reduce dark areas in our Boynton Beach community
5. Aging Fire Station 3 needing rebuild or replacement
6. Involving our residents and City funding for community cleanup and trash removal
7. Increasing use of technology to create a safer community – LPR, community cameras, drones, speed bumps, etc.
8. Increasing criminal activities and violent crimes from our residents and outside forces

**LONG-TERM
CHALLENGES AND OPPORTUNITIES**

1. Community culture of throwing trash and littering our community
2. Expanding PAL programs
3. Addressing the homeless situation and minimizing the negative impacts on our Boynton Beach community
4. Lack of mental health programs and services responsive to the needs of our Boynton Beach community
5. Having residents and businesses understanding and sharing responsibilities to create a safe and attractive Boynton Beach community
6. Having the courage and support to enforce current City codes and regulations
7. Having safe buildings and homes
8. Increasing costs and production delays for the goods and services needed to run the Citywide
9. Having effective prosecution of criminals
