OCEANSIDE BEACH SERVICE offers a cabana service with lounge chairs and umbrellas for rent to make your experience at the beach enjoyable.

TURTLE NESTING Season runs from March 1 to October 31. There are five species of sea turtles in Florida, the Loggerhead being the most common. Florida beaches are home to 80% of Loggerhead turtles in the U.S. Turtles can migrate thousands of miles, but usually return to lay their eggs on the same beach where they hatched. Females usually lay several clutches of eggs per season. It is estimated that less than 1 of 1,000 hatchlings will survive to adulthood. Sea turtles live their entire life in the ocean, with the female only coming ashore to lay eggs.

If you live near the beach, you can help by keeping outside lights off during turtle season and allowing dune vegetation such as sea grapes to grow and block the light. Make sure to remove chairs, umbrellas and other gear from the beach each night. Level all sand castles and fill any holes dug during play, and pick up all trash. Sea turtles mistakenly eat debris, especially plastic, which results in death.

AGE REQUIREMENT/BIRTH CERTIFICATES: All youth participants must meet the age requirement by the start date of the class/program for which they are being enrolled (unless otherwise noted). A birth certificate may be requested as proof of age. To ensure the maximum benefit and enjoyment of recreational activities, the Recreation and Parks Department reserves the right to withdraw any participant who does not meet the age criteria.

CANCELLED CLASSES: Pre-registration is required to ensure that the class is not cancelled. Programs that do not meet the minimum enrollment will be cancelled. Every effort will be made to notify the participants by phone prior to the first class meeting. Full refunds will be issued. Classes may be combined to reach maximum capacity.

CUSTOMER SATISFACTION PLEDGE AND REFUND POLICY: We are committed to customer satisfaction by offering high quality recreation programs at reasonable prices. If you are not satisfied with a class or are unable to participate for any reason, please contact us. A full refund will be issued to anyone who completes a Refund Request Form prior to the start of the second class. No refunds will be issued after the start of the second class or after the date an event is held. Exception: Summer Camp programs have a separate refund policy. Refund checks take approximately three weeks. Participants may choose a credit in lieu of a refund. Refund of payments made by check will not be processed until three weeks from the original transaction date.

FEES: Resident Fees are designated "R"; Non-Resident Fees are designated "NR" in all program listings. Residents are those persons residing within the corporate city limits of Boynton Beach.

LATE PICK-UP FEE: Please be on time when picking up your child from a program. A late fee of \$1.00 per minute will be charged for any participant picked up after the scheduled program ending time.

RETURNED CHECKS: The City of Boynton Beach charges a service fee of \$25 for all returned checks.

PHOTOGRAPHY: By participating or utilizing our facilities, you are granting the City of Boynton Beach and its agents the right to use and publish your and/or your minor child's image, and that no compensation will be made for such use.

PROOF OF RESIDENCY: Participants who reside within the corporate city limits of Boynton Beach support recreation facilities and programs through tax dollars; therefore, residents receive a discounted fee on programs. Proof of residency is required upon initial registration and each year for select programs, including summer camp, and may be requested at any time by the Department for verification purposes. Acceptable forms of proof of residency include a current utility bill (water, FPL), tax bill or lease agreement.

SUPPLIES: All supplies are included for youth classes (unless otherwise noted). Supplies for adult classes are the responsibility of the participant (unless otherwise noted).

ADVERTISING: Any paid advertisements appearing in this publication do not indicate a connection, endorsement or official sanction by the City of Boynton Beach of any practice, philosophy, standard, product or service of the advertiser.
