City of Boynton Beach  
Turning Traffic Boxes into Public Art Program

Re: Art Advisory Board Approval

Project Name: Transforming Traffic Boxes into Public Art Program

Public Artwork: Results of the Call for Artists – Final 35 Digital Paintings

Project Address: Various Locations Throughout the City of Boynton Beach

To Whom It May Concern:

The purpose of this letter is to confirm that the Art Advisory Board of the City of Boynton Beach reviewed all 210 valid submissions received through the Call for Artists for the Transforming Traffic Boxes into Public Art Program on December 10, 2025, at the publicly noticed Art Advisory Board meeting. At that meeting, the Board voted unanimously to approve the final selection of thirty-five (35) artworks and their installation locations.

This approval includes the full list of artists, artwork titles, artwork numbers, and installation locations throughout the City; see Exhibit A for the approved list. With this approval, the Board authorizes the City to proceed with fabrication, permitting, installation, and payment of artist honoraria.

Approved Artwork and Locations

The approved consists of thirty-five (35) artworks that will be placed on traffic control boxes using a printed peel-and-stick vinyl material. Locations vary between jurisdictions, including the City of Boynton Beach, the Florida Department of Transportation (FDOT), and Palm Beach County; see Exhibit B for installation phases by jurisdiction.

With this approval, the Board also authorized the City to issue a \$500 honorarium for each selected artwork. This payment recognizes the artists' contributions and grants the City the right to reproduce the approved pieces on the traffic control boxes.

If you have any questions or need additional clarification, please contact John Stout at [stoutj@bbfj.us](mailto:stoutj@bbfj.us).

Sincerely,

John Stout,  
Principal II

Enclosed.
