

From the office of Commissioner
AIMEE KELLEY

City of Boynton Beach, District IV

April 2026

Monthly Overview

Welcome back to my monthly newsletter! April flew by! It was a wonderful month filled with community events, ribbon cuttings to welcome new businesses in the City, and a good old-fashioned fishing tournament hosted by our firefighters.

Serving as your Commissioner is an honor because it gives me the unique opportunity to connect with you and witness the incredible heart of our community firsthand. I'm proud of the resilience and spirit you show every day!

Celebrating Success of Business Owners

Raising Awareness of Literacy Needs

Supporting Local Businesses

Grand Opening of New District 4 Business - Pure Green

It's wonderful to see our District 4 community continue to grow! On April 18th, our Economic Development Division celebrated the grand opening of Pure Green with a ribbon-cutting ceremony. Pure Green is a health-focused juice bar dedicated to making wellness easy and accessible for everyone in our neighborhood. Whether you're looking for a refreshing cold-pressed juice, a handcrafted smoothie, or a nutrient-packed açai bowl, their menu is full of delicious superfoods designed to help you feel your best. Next time you're in the area, please stop by and give them a warm welcome! You can find them at 2228 N Congress Ave.

Sabor Latino BBCIC Ribbon Cutting

Sabor Latino is a staple in District 4, and I was honored to join them to celebrate their recent induction into the Boynton Beach Chamber of Industry and Commerce (BBCIC). We kicked off the evening with a ribbon-cutting ceremony to welcome them, followed by a family style sampling of their menu items. Their extensive menu offers a wonderful variety of authentic Latin flavors, ensuring there is something for everyone to enjoy. I encourage everyone to stop by and support this local gem at 500 E Gateway Blvd, Suite 100!

Tact Tech Security Solutions Ribbon Cutting

It was a pleasure to celebrate the success of a homegrown Boynton Beach business owner at the recent ribbon-cutting for Tact Tech Security Solutions, located off Commerce Road in one of our industrial districts. They provide superior security services tailored to the unique needs of the businesses they serve. Small businesses like Tact Tech are the heartbeat of our city's economic ecosystem—creating jobs and strengthening the character of our community. Welcome to the neighborhood, Tact Tech!

YouFit Gym Ribbon Cutting

I was honored to join our Economic Development Division for the ribbon-cutting ceremony of the newly renovated YouFit Gym on N. Congress Avenue. It is wonderful to see our community gain another premier space dedicated to cultivating health and wellness. This updated location offers fantastic amenities, including diverse training classes, pickleball courts, and a state-of-the-art recovery area featuring infrared saunas and dry cold plunges. Congratulations to the YouFit team on this beautiful renovation!

2026 Fishing Tournament and Fish Dip Competition at Harvey Oyer Park

The Boynton Beach Firefighters Benevolent Association's Annual Fishing Tournament is easily one of our most anticipated events of the year, and this time around, the excitement was even higher with the addition of a Fish Dip Competition (although I did miss the chili a little bit!).

The fish were bitin', and the teams brought in some big catches for great prizes. This event is always a wonderful opportunity for our community to come together and show our support for our dedicated first responders.

Love of Literacy Luncheon

Attending the 35th Annual Love of We attended the 35th Annual Love of Literacy Luncheon with our library staff.

Hosted by the Literacy Coalition of Palm Beach County, this event raises essential funds to support literacy programs in our community. We are incredibly fortunate that our city is home to a beautiful library and our staff is dedicated to fostering reading opportunities for everyone. Together, we can continue to bridge the gap and ensure every resident has the tools they need to succeed, whether you are 5 years old or 85 years old!

Taste of Boynton Beach

If you missed Taste of Boynton this year, you missed a great one, it was a huge success! There were so many fantastic bites and tastings (and no, I'm not giving away my favorites, you'll just have to join us next year). The adult arcade was hoppin', and the fire performers and stilt walkers were a great addition. And did I mention the roaming oyster shucker? Yep, we had that too! There were so many creative touches that made this year's event extra special.

Annual Egg-Stravaganza

Earlier this month, I attended our city's annual Egg-Stravaganza at Ezell Hester Community Park. From hanging out with the Easter Bunny to watching the excitement of the egg hunts, the day was filled with smiles.

Congratulations to the kids who found the golden eggs, those prize baskets were stuffed with goodies! Everyone also enjoyed the food trucks, creative face painting, and fun games. Our Parks Department really thought of everything this year to make it a fantastic event for the whole community.

Celebrating High School Seniors with CareerReady

One of my favorite highlights this year has been celebrating our local seniors with CareerReady! This incredible organization empowers students through leadership training, financial literacy, and workforce readiness. With over 3,500 students served and a 100% graduation rate, their impact is truly inspiring. I had a wonderful time at the 'Golf & Give' fundraiser, which provides vital scholarships and internships for the program. The most touching moment, however, was having the honor of participating in their graduation ceremony to acknowledge the Spring Class of 2026. Thank you, CareerReady, for all you do for our youth!

Police Athletic League Golf Tournament

It was an honor to support the Bill Tome Foundation and the Police Athletic League at their recent golf tournament. The beautiful weather made for a perfect day on the course, and who doesn't love a little friendly competition for a good cause. The Foundation's work is a hole-in-one for youth in our community, and provides critical funding needed for back-to-school supplies, enrichment activities, and summer camp experiences.
